## **Interpipe suggests restructuring terms for Eurobonds**

Interpipe Limited has published its offer on the terms of its Eurobonds restructuring. The Company has offered holders of its US\$200 million Eurobonds to extend the maturity of the notes for seven years and increase the coupon interest rate from 8.75% to 10.25%. The coupons fell due on 2 August 2010.

A meeting for bondholders is convened for 17 September 2010.
